

# SPS Summer Camp 2024

St. Peter RC School is happy to announce the return of our popular Summer Camp!

This year, we will be offering two different camps to choose from during the month of July. Each camp will run Monday – Thursday each week from 9:00 am - 2:00 pm. We will be providing a fun and educational experience for our campers to minimize learning gaps that can occur over the extended summer period. Each camp will include mini field trips, crafts, STREAM activities and of course, fun, hands-on lessons with a very active physical component.

If you are interested in enrolling your student into one of our camps, please complete the attached sheet and return it by Thursday, April 25. Spots are limited, and we will accept a maximum of 30 students for each camp. We're opening our camp to St. Peter students first, and then we will open to the public after April 25th, so be sure to reserve your spot!
